

We've just finished 8 nights at Kingsbury of Tahoe (1 night in a 2 BR, 7 in the Penthouse). WOW!! We loved it! We've been with VI for 30 years now, and friends and family have also bought in because of how much we've loved it. They've been able to use Bonus Time over the years too. We not only had extended family in their own rooms, but friends came up at the same time, totaling 7 units rented out by all of us! We couldn't be happier, and have already booked Kingsbury for next Feb!
